Always we begin again - open, willing, but also with a sense of self-care and trust in God's time. And lastly I hear the word - leap. I love the Henri Nouwen story about the Flying Rodleighs that I have shared here in the past. You can read this great story here. Leap. Trust the Catcher. Move out of my comfort zone. Take a risk.

Always We Begin Again. April 9, 2014. By Renaissance Girl. It's been right under my nose for years and it's only just sunk in. I was caught by the final verse of Psalm 61 in Lauds this morning: "Then I will ever sing in praise of your name and fulfill my vows day after day.". Day after day.

The doors are always open for us to begin again. We are received just as the Prodigal Son was received, with open and forgiving arms. The image of the Prodigal Son, created by Rembrandt, communicates both motherly and fatherly qualities of a God who welcomes us all home.

And when I hit the days that I feel I have not honored my commitment for Lent... always I will begin again. With each new day, I will begin again to live with prayer, fasting and almsgiving. My prayer and wish for each of us during this journey of Lent is that we move forward in our journey of faith. That we move with a sense of opportunity and confidence in this spiritual journey before us. My prayer is that in the words of St. Benedict, we "always begin again." believe n love, GERALYN

Always we begin again - From the Heart

Always We Begin Again --- the title pulled from a line in The Rule of Saint Benedict --- is a kind of devotional work that features 100 short readings of encouragement for those struggling to reboot their lives after a period of pain, grieving, stagnancy, etc.

Always we begin again - we do this in theology, too. I used to think that the Christian life was one long (albeit bumpy) climb uphill to greater knowledge of and greater intimacy with God. But in my Christian life I have encountered theology and story that has countered and crumbled tenets of my faith I previously thought were steady.

Always we begin again | Tanya Marlow - Thorns and Gold

Always We Begin Again by Leeana Tankersley is a series of short essays on the many ways we start over every day of our lives. They're not only relatable short stories but they include a guided writing prompt that can help each reader deal with their own beginnings. Here's what I've learned, am learning or have found to be true:

We all face many of these hurdles at one time or another. It's the human condition. The beauty of it is that it unites us and we can celebrate together at the idea of beginning again. Some people might consider Always We Begin Again a devotion, although I don't think that's the perfect definition, but I can't think of a better one. There are micro-prayers and prompts that encourage the reader to work with God, to talk to him, to include him in our struggles, but the overall focus ...

This book holds timeless appeal for readers who hunger for a meaningful and creatively balanced framework for life. It offers a simple blueprint, based on the Rule of St. Benedict, to order one's time and create physical and inner space, to step back from the demands and pressures of the moment, and to step into a place of peace. While strict adherence to the Rule may be possible only in a monastic setting, its bedrock, the ordering of each day, is accessible to seekers of any creed or of no creed at all. The brief readings and meditations in this small book offer a bridge between a busy day and a moment of restorative and blessed silence. "The original edition emphasized thankfulness, and this revision emphasizes loving-kindness... It continues to be my hope

to put the wisdom of the Rule to work in my life, and when I fail (as I do consistently) to begin again." -From the Preface

None of us wants to be sidelined, stuck, shamed, or silenced. But the difficulties of life have a way of putting us in a corner, and we don't know how to move forward. We see brokenness in our communities, our relationships, and our spirits. It's so easy to blame ourselves or our circumstances, to get bogged down in discouragement and toxic thinking. But that's not what we were meant for, and that's not how God wants us to live. Leeana Tankersley has good news if you're struggling: each new day is an opportunity to begin again. In her warm tone and with her signature humor she offers 100 short readings to encourage and motivate you to begin again in your relationships with God, your family, your friends, and yourself. Because there is always a hand reaching toward you, there is always grace available, and there is always a chance to begin again.

The Rule has the power to shape lives in quiet ways when the reader--with the help of St. Benedict's timeless wisdom--incorporates time for work, friendship, growth of the mind and nurturing of the spirit through meditation and prayerfulness.

What happens when life begins to trip us up and failure starts creeping in? Many of us just keep on doing the same thing, hoping for different results. Some of us look for escape, to find a way out of the mess we feel that we've created. But neither enduring nor escaping is ultimately what we need. The answer is to allow ourselves to begin again, every day, in every part of our lives. Through engaging, lyrical prose, Leeana Tankersley shows women how to forgive themselves, develop new and healthier patterns of living, and do away with resentment and regret. Her life-giving words will free women who are feeling stuck and allow them to clear out the debris to make room for what God wants to do in their lives. To begin again is to open the window, even a crack, to let the breeze of grace come in. It is a call to stop running from our fears. To take one small step toward becoming the brave women we were made to be.

NEW YORK TIMES BESTSELLER • "A powerful study of how to bear witness in a moment when America is being called to do the same."—Time
James Baldwin grew disillusioned by the failure of the civil rights movement to force America to confront its lies about race. What

can we learn from his struggle in our own moment? Named one of the best books of the year by Time, The Washington Post, and the Chicago Tribune • Winner of the Stowe Prize • Shortlisted for the Goddard Riverside Stephan Russo Book Prize for Social Justice “Not everything is lost. Responsibility cannot be lost, it can only be abdicated. If one refuses abdication, one begins again.”—James Baldwin

Begin Again is one of the great books on James Baldwin and a powerful reckoning with America’s ongoing failure to confront the lies it tells itself about race. Just as in Baldwin’s “after times,” argues Eddie S. Glaude Jr., when white Americans met the civil rights movement’s call for truth and justice with blind rage and the murders of movement leaders, so in our moment were the Obama presidency and the birth of Black Lives Matter answered with the ascendance of Trump and the violent resurgence of white nationalism. In these brilliant and stirring pages, Glaude finds hope and guidance in Baldwin as he mixes biography—drawn partially from newly uncovered Baldwin interviews—with history, memoir, and poignant analysis of our current moment to reveal the painful cycle of Black resistance and white retrenchment. As Glaude bears witness to the difficult truth of racism’s continued grip on the national soul, Begin Again is a searing exploration of the tangled web of race, trauma, and memory, and a powerful interrogation of what we must ask of ourselves in order to call forth a new

America.

It's never too late for a new beginning. Look closely and you'll see that theme all through the Bible. Page after page, God delights in turning tragic endings into new beginnings. A childless woman conceives in her old age; a fearful, self-conscious shepherd becomes a leader of millions; and a prostitute becomes a wife and mother in the lineage of Christ. Every biblical fresh start reveals the amazing, awe-inspiring hope we have for our own new beginnings in God's plan for our lives. In *You Can Begin Again*, bestselling author Joyce Meyer explores the beauty and infinite supply of God's love and grace. Through inspiring stories, Scriptural principles, and her classic practical, life-application approach, Joyce powerfully demonstrates that God isn't done with you yet. If you're stuck in a rut, disappointed by an outcome, hurting from a wound, failing in an endeavor, struggling in a relationship, or unsure about the future. . . don't give up. Don't give up on yourself, and don't give up on the God Who loves you and offers you a new beginning today.

"Julia Cameron has inspired millions with her bestseller *The Artist's Way*. Now at the age of sixty-five, she shows her contemporaries how retirement can be the most creative and

fulfilling stage of life yet. For some, retirement is a day to work toward with anticipation. Others approach retirement with greater ambivalence. While the newfound freedom is exciting and filled with possibility, the idea of retirement can also be very daunting. You are in a unique position to explore yourself and your desires from a place of experience. But the line has been drawn in the sand: The life that you have known has changed, and the life to come is yet to be defined. This book is a twelve-week course aimed at defining--and creating--the life you want to have as you redefine--and re-create--yourself. Filled with essays, tools, and exercises to be done alone or in groups, this toolkit will guide and inspire retirees wishing to expand their creativity. This fun, gentle, step-by-step process will help you explore your creative dreams, wishes, and desires--and quickly find that it's never too late to begin anything"--

Women's hearts are designed by God for relationships. But in this fractured world, the relationships we so deeply desire are often the sources of great pain. Drawing on the Bible's wisdom, counselor Sharon Hersh reveals the secret to enduring life's heartaches and still coming up living wholeheartedly, loving with abandon, and daring to hope and believe.
