required to comply with Airworthiness Directives or recommended items will incur additional costs. We will provide you with a detailed estimate of required (AD) and recommended items before repairs are made.

## **Annual aircraft inspections | Dugosh Aviation Kerrville**

On the low side (if you're lucky) an annual inspection could cost \$6500, but owners tell us \$9000 to \$12,000 or more is more realistic. In our view, you'll play it safe by figuring you'll fly away paying closer to \$10,000 for a thorough inspection, if you've been addressing minor routine squawks along the way.

## **Piper PA-46 - Aviation Consumer**

Please Note: This is an estimate of the annual flat rate inspection only. (Repairs and parts are not included.) Depending on the aircraft's age and modifications added to the aircraft and continued Airworthiness inspections that have to be performed on ELT's, batteries, exhaust systems, etc., the labor will vary.
