showing that what matters aren't asset class labels but the bundles of overlapping risks they represent. Making investments is like eating a healthy diet, Ang says: you've got to look through the foods you eat to focus on the nutrients they contain.

Asset Management A Systematic Approach to Factor Investing ...

In *Asset Management: A Systematic Approach to Factor Investing*, Professor Andrew Ang presents a comprehensive, new approach to the age-old problem of where to put your money. Years of experience as a finance professor and a consultant have led him to see that what matters aren't asset class labels, but instead the bundles of overlapping risks they represent.

Asset Management: A Systematic Approach to Factor ...

The phrases "finance textbook" and "page-turner" rarely occupy the same sentence or even the same paragraph, but *Asset Management: A Systematic Approach to Factor Investing*, by Andrew Ang, the Ann F. Kaplan Professor of Business at Columbia University, justifies that pairing of terms. The best economic writing often stretches the fabric of theory ever so gently over a frame of successive narratives.
