Barcelona Catalonia A View From The Inside Barcelona, Catalonia: A View from the Inside, by Matthew Tree. This week, for example, I visited Peru for the first time (one stop on the metro) courtesy of the Cebichería-Marisquería restaurant. Luckily, I was with friends who were regular customers (he Catalan, she Peruvian) because although the menu was written in Spanish, it was a Spanish liquidised over the centuries with Quechua (now the fifth most spoken language in Catalonia), not to mention Aymara and the numerous tongues of the ...

Tibidabo - Wikipedia The government in Spain's Catalonia region has re-imposed coronavirus controls on an area of 210,000 people after a sharp rise in infections. President Quim Torra said no-one would be allowed to ...

A collection of columns published in Catalonia today and articles published in other publications.

Created by social movement activists and left-wing parties during years of austerity, Barcelona en Comú, or the Comuns (as they are known in Catalan), won control of the city council of Barcelona in May 2015. The ensuing municipal government gave the city its first ever female mayor in the form of former housing rights campaigner Ada Colau. The Comuns' administration proceeded to undertake ambitious initiatives, attempting to regenerate democracy by changing the relationship between municipal authority and citizen, addressing social inequality issues and seeking to curb the hitherto unbridled tourist expansion in the name of improving the environment for those who live in the Catalan capital. This book examines the extent to which the political project of the Comuns has brought radical change in Barcelona, where it has faced opposition from revolutionary anti-capitalists, traditional Catalan nationalists and independentistas, as well as conservative political and economic forces. It also considers the Comuns' relationship to Podemos and their prospects of growing beyond the city, in the metropolitan area of Barcelona and across Catalonia.

Homage to Catalonia is George Orwell's account of the Spanish Civil War. It was the last and most mature of Orwell's documentary books.

Sun-worshipper, city goer or outdoor enthusiast? No matter your tribe, this is the perfect region for you. Whether you want to enjoy Costa Brava's laidback lifestyle, marvel the truly iconic Sagrada Família or hike the undulating landscape of long-extinct volcanoes, your DK Eyewitness travel guide makes sure you experience all that Barcelona and Catalonia have to offer. From gothic churches and centuries-old taverns to dizzying skyscrapers and ritzy cocktail bars, Catalonia is a constant contradiction. The natural landscape is just as varied: soaring mountain ranges preside over pristine wilderness and vineyard-cloaked hills taper into a seemingly endless stretch of coastline. Our newly updated guide brings Barcelona and Catalonia to life, transporting you there like no other travel guide does with expert-led insights and advice, detailed information on all the must-see sights, inspiring photography and our trademark illustrations. You'll discover: - our pick of the must-sees, top experiences and hidden gems - the best spots to eat, drink, shop and stay - detailed maps and walks which make navigating the region easy - easy-to-follow itineraries - expert advice: get ready, get around and stay safe - color-coded chapters to every part of Barcelona and Catalonia, from Old town to beyond the centre, Eixample to Montjuïc Want the best of Barcelona in your pocket? Try our DK Eyewitness Top 10 Barcelona.

Coldwater Bay - a tiny village tucked away on the southern coast of the Isle of Wight - suddenly finds itself being besieged by Africans who have gone there for that very purpose. A racist doctor on holiday, two of his love-sick teenage wards, and the Africans' inside man in the village watch events unfold from their very different viewpoints, in this ambitious, original novel which steers a captivating path between the comic and the horrific.

Now available in PDF format.

A highly illustrated guide to Baelcona and Catalonia in the award-winning DK Eyewitness Travel series

Contesting Spain? The Dynamics of Nationalist Movements in Catalonia and the Basque Country offers an exploration of the dynamics behind contemporary shifts in the orientation of nationalist parties and movements with reference to Catalonia and the Basque country in Spain. The chapters were originally papers presented at a workshop held at the Barcelona Centre for International Affairs (CIDOB) in September 2014 as part of a research project on 'The Dynamics of Nationalist Evolution in Contemporary Spain', whose purpose was to gain a better understanding of why regionally-based nationalist movements have experienced shifting relationships with the Spanish state over time, in some periods appearing content with accommodation between central and regional government and at other times pushing to go beyond autonomist demands to seek sovereignty or even attain full independence. The volume is one of the first to focus comparatively on the rise of pro-sovereignty polities in mainstream nationalist parties, whose evolution has also featured more traditional impulses towards territorial accommodation within the wider state. Using the exceptionally rich laboratory provided by Spain, the book explores the dynamics behind shifts in the orientation of nationalist parties and movements once they have established themselves as electorally successful at regional level. Dimensions to the analysis include: the interaction of nationalist parties with central government; pressures from their support bases; competition between parties within the home region; and international influences. This title is innovative in bringing together experts with a range of disciplinary approaches: primarily political scientists but also historians and scholars located at the cusp between social sciences and humanities.
