Yes, it's about the designer  
Max Mara-however, I just  
thought 55 years would have  
had MORE eye catching, eye  
popping coats than the ones  
featured on the cover and in  
the book. I have a friend  
who has a huge wall of books  
and I would not gift this to  
her...more than likely, she  
would re-gift it.
