Does an offender have the right to be punished? "The right to be punished" may sound like an oxymoron, but it is not necessarily so. With the emergence of modern criminal law, the offender

# Online Library Criminal Law

## Michael Allen 10th Edition

gained the right to be punished by rational criminal law rather than being lynched by an angry mob. The present-day offender may have the right to be punished by doctrinal sentencing rather than being

subjected to verdicts based on vague, unclear, and uncertain principles. In modern criminal law, the imposition of criminal liability follows accurate and strict rules, whereas there are no similar rules
