1. If communication can fail, it will. 2. If a message can be understood in different ways, it will be understood in just the way that does most harm. 3. There is always somebody who knows better than you what you meant by your message. 4. The more communication there is, the more difficult it is for communication to succeed. (pg20)

~~Chapter 1: Introduction to Communication – myText CNM~~

Using a family systems perspective, this chapter explores communication as the therapeutic thread woven through the fabric of grief over the trajectory of the patient's illness and beyond the patient's death for the family. It discusses communication with families in person and by telephone when death is unexpected.
