The ?Sepher Yetzirah, ? or ?Book of Formation, ? is perhaps the oldest philosophical treatise which is yet extant in the Hebrew language. The great interest which has been evinced of late years in the Hebrew Kabbalah, and the modes of thought and doctrine allied to it, has induced me to translate this volume from the original Hebrew texts, and to collate with them the Latin versions of mediaeval authorities.

Three important books of the ?Zohar, ? or ?Splendour, ? which is the great storehouse of Kabalistic teaching, have been for the first time translated into English by that skilful and erudite Kabalist, my fellow student in occult science, MacGregor Mathers, and the ?Sepher Yetzirah? in an English translation is almost a necessary companion to these even more abstruse disquisitions: the two books indeed mutually explain each ot

This is the most significant work to come from the pen of Antonio Enriquez Gomez. This volume contains the manuscript of Romance al divin Martir in its entirety--in its original form as well as edited--with a full and wide-ranging analysis that resolves some of the mysteries of Antonio Enriquez Gomez's biography as well as clearly explaining Gomez's political views and religious attitudes.

The Restoration Scriptures True Name Sixth Edition With The Scroll Of Chanok-Enoch -The New RSTNE Sixth Edition is case bound hard cover meaning firm & secure with no more pages falling out! A long term kingdom investment. -The Sixth Edition has newly revised verses adding more accurate references from the LXX-Septuagint & more updates directly from the Dead Sea Scroll than ever before. -The RSTNE has the correct order of the books putting certain books back in their correct order as one should never study Paul before Yahusha's teachings in the 4 accounts of the Good News. -For the first time the Study Notes are at the end separating the text from the notes. This allows both those who want the Word or those who want both the Word and the Study Notes to have them in separate yet easily accessible sections. -8.5 by 11 5 lb. weight with New Glossy Color Cover & 60 lb paper. Easy to

religious sources and the Conservative movement and concerns such areas as marriage, holidays and observations, and dietary restrictions

Among all the texts and notes of Rabbi Baruch Shalom Halevi Ashlag (the Rabash), there was one special notebook he always carried. This notebook contained the transcripts of his conversations with his father, Rabbi Yehuda Leib Halevi Ashlag (Baal HaSulam), author of the Sulam (Ladder) commentary on The Book of Zohar and of many other works on Kabbalah. Not feeling well on the Jewish New Year in September 1991, the Rabash summoned his primary student and personal assistant, Michael Laitman, to his bedside and handed him that notebook. Its cover contained only one word, Shamati (I Heard). As he handed the notebook to him, he said to Laitman, "Take it and learn from it." The following morning, he perished in Laitman's arms, leaving him and many of his other students without guidance in this world. Committed to Rabash's legacy to spread the wisdom of Kabbalah, Laitman published the notebook just as it was written, thus retaining the text's transforming powers. Among all the books of Kabbalah, Shamati is a unique and compelling composition whose power persists long after the reading is through.

Clears up misconceptions about Judaism, explains its traditions, and describes the problems that face modern Judaism
