Process of Conducting Equity Valuation. Equity valuation is
followed differently by different individuals. As such, there is
no set pre-defined standard process. Instead, equity valuation
consists of 4 or 5 broad categories of steps that need to be
followed. The procedures maybe different but the objectives
are always the same. Every person conducting equity
valuation, must in one way or another account for these

Lundholm & Sloan - Equity Valuation & Analysis

This book spans the void between the abstract theoretical treatment of equity valuation and the practical problem of valuing an actual company using real-world data. We give serious treatment to the underlying theory of financial analysis and valuation, but our main goal is to be able to arrive at a pragmatic answer to the important question, "what is this company really worth?"
