Fine Art wedding photography for us is about making every image matter. From the details, the people, the bride and groom shots and the family groups, to the raw emotions, the laughter and tears. Every special moment of your big day should be something beautiful that you could hang on the wall. We want to create something special, but it is important to us that we work in a non-intrusive manner, with a mixture of creative 'wow' shots and natural reportage moments documenting the day.

Cyprus wedding photographer Andreas K. Georgiou creates imagery that is both a legacy, and a narrative: he brings all that he knows, everything that he is, and everywhere that he has been, into each image he creates: a sparkle of white powder from the Cyclades, the radiance of a garden in Provence, sprinkled with a hint of mystery from Prague, some iodine breeze from his home island, Cyprus. Each and every photograph is a patch of light, and his Wedding Photography is a hopeful invitation to ...
