Get in Trouble was a recent finalist for the Pulitzer Prize and Kelly Link's short stories have been compared to the works of Angela Carter, Ray Bradbury and Shirley Jackson. Those sounded like pretty decent credentials to me so I sought out a copy and gleefully buried my nose in its wonderfully odd pages.

Get in Trouble by Kelly Link – Goodreads

Get in Trouble: Stories. Over the past decade, some prominent authors have put forth the argument that works of genre fiction should be accorded the same respect as literary fiction. Their thesis appears to be that the main point of literature is to entertain, and that all works that entertain a reader have equal merit.

Get in Trouble: Stories | Bookreporter.com

The stories in Get in Trouble also address very adult concerns. "The Lesson" follows a married couple to a mysterious island, where they are stranded while their unborn child's surrogate mother faces the threat of an extremely premature delivery.

Get in Trouble Stories - electionsdev.calmatters.org

Five stories of getting in trouble (elementary edition) 3,570. Authored By Sean Phipps. This was difficult to write. We've all had experiences where a series of actions spiral out of control. Suddenly, you find yourself in a load of trouble, with messed pants, with your pants down or just crying in front of a large group of your peers.

Five stories of getting in trouble (elementary edition) —

The stories in Get in Trouble are something like the wonderful stories of Ray Bradbury, whose science fiction transcended the genre. Link's tales are reminiscent of Neil Gaiman, too, with something dark, feminine, and punk-rock blended in."

A bewitching story collection from a writer hailed as "the most darkly playful voice in American fiction" (Michael Chabon) and "a national treasure" (Neil Gaiman). NAMED ONE OF THE BEST BOOKS OF THE YEAR By BookPage | BuzzFeed | Chicago Tribune | Kirkus Reviews | NPR | San Francisco Chronicle | Slate | Time | Toronto Star | The Washington Post Kelly Link has won an ardent following for her ability, with each new short story, to take readers deeply into an unforgettable, brilliantly constructed fictional universe. The nine exquisite examples in this collection show her in full command of her formidable powers. In "The Summer People," a young girl in rural North Carolina serves as uneasy caretaker to the mysterious, never-quite-glimpsed visitors who inhabit the cottage behind her house. In "I Can See Right Through You," a middle-aged movie star makes a disturbing trip to the Florida swamp where his former on- and off-screen love interest is shooting a ghost-hunting reality show. In "The New Boyfriend," a suburban slumber party takes an unusual turn, and a teenage friendship is tested, when the spoiled birthday girl opens her big present: a life-size animated doll. Hurricanes, astronauts, evil twins, bootleggers, Ouija boards, iguanas, The Wizard of Oz, superheroes, the Pyramids. . . . These are just some of the talismans of an imagination as capacious and as full of wonder as that of any writer today. But as fantastical as these stories can be, they are always grounded by sly humor and an innate generosity of feeling for the frailty—and the hidden strengths—of human beings. In Get in Trouble, this one-of-a-kind talent expands the boundaries of what short fiction can do. Praise for Get in Trouble "Ridiculously brilliant. . . . These stories make you laugh while staring into the void." —The Boston Globe "When it comes to literary magic, Link is the real deal: clever, surprising, affecting, fluid and funny." —San Francisco Chronicle

A bewitching story collection from a writer hailed as "the most darkly playful voice in American fiction" (Michael Chabon) and "a national treasure" (Neil Gaiman). NAMED ONE OF THE BEST BOOKS OF THE YEAR By BookPage | BuzzFeed | Chicago Tribune | Kirkus Reviews | NPR | San Francisco Chronicle | Slate | Time | Toronto Star | The Washington Post She has been hailed by Michael Chabon as "the most darkly playful voice in American fiction" and by Neil Gaiman as "a national treasure." Now Kelly Link's eagerly awaited new collection—her first for adult readers in a decade—proves indelibly that this bewitchingly original writer is among the finest we have. Link has won an ardent following for her ability, with each new short story, to take readers deeply into an unforgettable, brilliantly constructed fictional universe. The nine exquisite examples in this collection show her in full command of her formidable powers. In "The Summer People," a young girl in rural North Carolina serves as uneasy caretaker to the mysterious, never-quite-glimpsed visitors who inhabit the cottage behind her house. In "I Can See Right Through You," a middle-aged movie star makes a disturbing trip to the Florida swamp where his former on- and off-screen love interest is shooting a ghost-hunting reality show. In "The New Boyfriend," a suburban slumber party takes an unusual turn, and a teenage friendship is tested, when the spoiled birthday girl opens her big present: a life-size animated doll. Hurricanes, astronauts, evil twins, bootleggers, Ouija boards, iguanas, The Wizard of Oz, superheroes, the Pyramids. . . . These are just some of the talismans of an imagination as capacious and as full of wonder as that of any writer today. But as fantastical as these stories can be, they are always grounded by sly humor and an innate generosity of feeling for the frailty—and the hidden strengths—of human beings. In Get in Trouble, this one-of-a-kind talent expands the boundaries of what short fiction can do. Praise for Get in Trouble "Ridiculously brilliant. . . . These stories make you laugh while staring into the void." —The Boston Globe "When it comes to literary magic, Link is the real deal: clever, surprising, affecting, fluid and funny." —San Francisco Chronicle

Fantastic, fantastical and utterly incomparable. Get in Trouble rummages in the cupboards of our psyches and pulls out fierce truths about everything from the essence of ghosts to the nature of love. And hurricanes, astronauts, evil twins, bootleggers, Ouija boards, iguanas, The Wizard of Oz, superheroes, the pyramids. . . . Strange, dark and wry, the stories in Get in Trouble reveal Kelly Link at the height of her creative powers and stretch the boundaries of the human imagination.

A new, much anticipated collection of stories from the inimitable Kelly Link. "These nine stories may begin in familiar territory - a birthday party, a theme park, a bar, a spaceship - but they quickly draw readers into an imaginative, disturbingly ominous world of realistic fantasy and unreal reality. Like Kafka hosting Saturday Night Live, Link mixes humour with existential dread. Her characters, driven by yearning and obsession, not only get in trouble but seek trouble out - to spectacular effect." Publishers Weekly "Darkly funny, sexy, frightening, and truly weird - Link can dismantle and remake the world in a paragraph." Karen Russell "The most darkly playful voice in American fiction." Michael Chabon "She is unique and should be declared a national treasure." Neil Gaiman "Richly imagined, intellectually teasing, these are not so much small fictions as windows on to entire worlds. A brilliant, giddyng read." Sarah Waters "Kelly Link is the author of the collections Stranger Things Happen, Magic for Beginners, The Wrong Grave and Pretty Monsters. Her short stories have been published in The Magazine of Fantasy & Science Fiction, The Best American Short Stories and Prize Stories: The O. Henry Awards. Link is the co-founder of Small Beer Press. She was born in Miami, Florida and now lives with her husband and daughter in Northampton, Massachusetts. 'Very much fun.' Margaret Atwood. Twitter 'Kelly Link is inimitable. Her stories are like nothing else, dark yet sparkling with her unique brand of fairy dust, wonderfully strange but still familiar and real. Get in Trouble is filled with pocket universes, each tale containing so much more than its length might suggest and crackling with the unexpected. the most marvelous kind of trouble to get in.' Erin Morgenstern 'In this utterly astonishing new collection, Kelly Link demonstrates a perfect and completely mature command of the entirely unexpected, ever-evolving, self-examining, deeply original and personal, emotion-riddled kind of story only Kelly Link is capable of writing.' Peter Straub 'Exquisite, cruelly wise and the opposite of reassuring, these stories linger like dreams and will leave readers looking over their shoulders for their own ghosts.' Kirkus 'Nobody writes stories like Kelly Link. Seek out this book and then dig through her others: she's a modern master of the short story, skewering our lives at every step.' 'Thousands 'It resonates with depth and maturity, the sense of a writer using genre for her purposes rather than the other way around. With Get In Trouble, she has created a series of fully articulated pocket universes, animated by a three-dimensional sense of character, of life.' LA Times "The nine stories in Link's fourth collection sizzle with surprises. 'Link is one of a kind' BBC "Does any writer have a better, deeper instinct for the subterranean overlap between pop culture and myth... Link remains a master of a delicate genre." Salon "Link's stories are never fully realist, but they are always beautifully written. Like other writers in the tradition of the modern American short story, she wants us to look closely at the small stuff of life." New York Times Book Review "As a writer Kelly Link is possessed of many magical powers, but to me what's most notable about her new collection, Get in Trouble, is its astonishing freedom... her imaginative freedom is unmitigated by a need to counterbalance the weirdness with explanation." Meg Wolitzer 'Kelly Link in a nutshell: inordinately brainy, always concise, darkly whimsical, and entertaining as heck.' Boston Globe "Link's writing is characterised by both a high literary value and a deep human sentiment. Images and language sparkle, imagination and craft combining to create the most vivid of reading experiences." Toronto Star "Link is always in exquisite control—a committed emotional realist with a bottomless bag of surprises." New York Magazine 'I'd rather read Kelly Link than breathe... This book is everything I wished for.' NZ Herald "Link should be required reading for every writer, even writers whose styles deviate completely from hers: it is necessary to understand the sheer possibilities of form, of genre. To understand how rules can be twisted, snapped, shattered.' LA Review of Books "When it comes to literary magic, Link is the real deal: clever, surprising, affecting, fluid and funny." San Francisco Chronicle "Link's prose and ideas dazzle: so much so that you don't see the swift elbow to the emotional solar plexus coming until it's far, far too late." Guardian "Ms. Link never fusses over the surreal twists in her stories, but they contain so much emotional truth that there's no need to explain a thing." New York Times "With every tale [Link] conjures a different universe, each more captivating than the last... you'll long to return the minute you leave." Entertainment Weekly "Get in Trouble is one of the strongest collections I've read recently; each story is finely calibrated, with Link's surreal but utterly believable logic, suspense and heart." Catherine Barbery, Paris Review "All I want is for everyone to devour [Link's] books." Longreads "It's a challenge to describe Kelly Link's dazzling short stories. On the one hand they are deliciously, deliciously strange. Yet they are also sad, sexy, tender, keenly aware not just of the human yearning at their centres, but of the absurdities those desires lead us into." Weekend Australian "Get in Trouble is a dazzling testimony to the malleability of [Link's] medium and her mastery of it." New Zealand Listener "Link effectively mixes the dark-fantastic with Borgesian quirkiness." Sydney Morning Herald "It's little wonder that the short story seems to be having its moment in the sun; here it shows its ability to compress lifetimes seething with tension and crystallise moments blazing with desire and defiance, into handfuls of taut, finely wrought pages." Age

"I Can See Right Through You", by Kelly Link, is an off-kilter ghost story (or not) about an estranged couple who have remained friends long after they were originally paired in a vampire movie that made them famous. Now the demon lover searches out his former lover in Florida while she is in the middle of filming a tv episode about ghost hunting.

"When David gets in trouble, he always says . . ."NO! It's not my fault! I didn't mean to! It was an accident!" Whatever the situation, David's got a good excuse. And no matter what he's done "wrong," it's never really his fault. Soon, though, David realizes that making excuses makes him feel bad, and saying he's sorry makes him feel better. Once again, David Shannon entertains us with young David's mischievous antics and a lighthearted story that's sure to leave kids (and parents) laughing.

A VINTAGE ORIGINAL In this hilarious and wildly inventive debut, including a title story that was nominated for the Pushcart Prize, Patrick Somerville charts the dangerous territories of adolescence and adulthood for the American male. In "Puberty," Brandon takes the matter of his reticent hormones into his own hands. In "English Cousin," Terry's enigmatic relative arrives, looking to learn about love, stateside. And in "The Future, the Future, the Future," Dan's carefully planned life falters when he sees his wife kissing her boss. Trouble explodes with wicked humor, exuberant braininess, and unforgettable style.

NEW YORK TIMES BESTSELLER | NATIONAL BOOK AWARD LONGLIST | "A masterpiece" (NPR) about marriage, divorce, and the bewildering dynamics of ambition In development as an FX limited series on Hulu, starring Claire Danes, Jesse Eisenberg, Lizzy Caplan, and Adam Brody ONE OF THE TEN BEST BOOKS OF THE YEAR—Entertainment Weekly, The New York Public Library ONE OF THE BEST BOOKS OF THE YEAR—The New York Times Book Review, Time, The Washington Post, USA Today Vanity Fair, Vogue, NPR, Chicago Tribune, GO, Vox, Refinery29, Elle, The Guardian, Real Simple, Financial Times, Parade, Good Housekeeping, New Statesman, Marie Claire, Town & Country, Evening Standard, Thrillist, Booklist, Kirkus Reviews, BookPage, BookRiot, Shelf Awareness Toby Fleishman thought he knew what to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, Fleishman is in Trouble is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wanness and our great hope. Alma's Best Jewish Novel of the Year | Finalist for the National Book Critics Circle's John Leonard Prize for Best First Book

"Nelson's prose is precise and energetic, and her insights delight because they manage to be at once surprising and so right as to seem inevitable." -- The New York Times Book Review "Antonya Nelson is widely regarded as one of America's most talented women writers -- The New Yorker has named her one of the twenty best writers of her generation -- and with Female Trouble she returns to the short-story form with which she made her original literary mark. Thirteen wise, funny, and startlingly perceptive stories about the vagaries of marriage, the uncertainties of family, and the revelations of female life, Female Trouble looks at the relationships not just between men and women but also between parents and children, brothers and sisters. Probing the subjects of love, fidelity, desire, dependence, and solitude, Nelson explores the broad notion of family from myriad angles, but always with surprising insight and her trademark offbeat humor. The title story features a thirty-year-old man carrying on intimate relationships with three different women -- one institutionalized, one pregnant, one purely maternal -- but unable to commit to any of them. "Incognito" depicts a divorced woman whose turbulent teen years are suddenly brought back to her when she returns to her hometown with her own teenage daughter. In "The Unified Front," a husband reckons with his wife's decision to steal a baby while at a famous theme park, and in "Stitches," a disturbing late-night phone call forces a mother to confront her college-age daughter's sexuality and her own adulterous past. Set in the vividly rendered Southwest and Midwest, these moving stories are dark and honest portraits of people in moral quandaries, gray areas, unclear circumstances -- stories that reveal us to ourselves with disturbing clarity. As always, Nelson astounds with the clean, terse power of her language, and she deftly uses humor to expose the soft underbellies of her tough-talking, unblinking characters. These are stories that will linger in the reader's mind long after they are read.

Short fiction about love in the face of mortal threats, in a prize-winning collection by the author of You Came Back. In this extraordinary collection of short fiction, characters wrestle with the moments in life that test us most deeply, in ways both dramatic and subtle. In "We're in Trouble," a woman is asked to end her dying husband's suffering. In "Abandon," a troubled young man must risk jail to do right by the only woman he has ever loved. And "In the Event" shows a young musician's all-night vigil after he loses his best friends and is suddenly left as the guardian of their three-year-old son. From a wife waiting for news of her husband's latest death-defying climb to a sheriff thrown into turmoil after his close friend enacts a horrifying murder-suicide, this "uncanny, clear-eyed [and] wildly engaging" story collection was awarded the PEN/Robert W. Bingham Prize (Entertainment Weekly).
