The Great Awakening - Home

The Second Great Awakening was a Protestant religious restoration amid the mid-nineteenth century in the United States. The movement started around 1790, picked up force by 1800 and, after 1820, enrollment climbed quickly among Baptist and Methodist assemblies whose missionaries drove the development. The Second Great Awakening reflected Romanticism described by energy, feeling, and an interest to the metaphysical.

THE SECOND GREAT AWAKENING - Home

The Enlightenment and Pietism were the two great European movements to reach America between the 1720s and the 1760s. To well educated-men, women, and planters families the Enlightenment had the greatest appeal. It emphasized human reason to understand and shape the world. Pietism appealed more to adherent, primarily farmers, and urban laborers.

The Enlightenment and Great Awakening - Home

Prior to what is known as the Great Awakening, women 's sole responsibilities were to take care of their family and home. At this time women were not able to hold any leadership roles within the church, only Quakers " allowed large numbers of women to serve as religious leaders " (Brekus 29). Reverend John Cotton held firm to his belief that if women spoke in church, " they violated biblical law " (Brekus 28).

Women - The Great Awakening

The Second Great Awakening was an era of new religions, enlightenment, and ideology. This movement initiated the rise of membership participation within the churches and even sparked the idea of new denominations. All of these are summed up in the phrase Romanticism. These new ideas are what made people gain new perspective on slavery, women's ...
