This is book 3 in the “Scarlett Bernard” series, and unfortunately I didn't think it was as great as book 2, “Trail of Dead.” First off I have to say that I love Scarlett. No matter what she goes thru or what's thrown her way, she always stays strong staying true to herself.

Amazon #1 Bestselling Ghost Story A Top 5 Bestseller in Horror A Top 20 Bestseller in Thriller and Suspense Recommended on USA Today! Read the Bestselling Novel That Has Critics Raving: "I am happy to cheer Mr. Blackwell on as he draws us into his supernatural thriller, The Sanheim Chronicles."--Mark Metcalf, Actor (The Master, Buffy the Vampire Slayer) "In this edge-of-your-seat thriller, Rob Blackwell introduces the reader to fear in an innovative way: right from the start. A Soul to Steal is simply scary. With the combination of an ancient Celtic myth and the legend of the Headless Horseman, Blackwell's story is a leave-the-light-on kind of page turner...If you like suspenseful thrillers, check out A Soul to Steal."-- Indie Reader [Featured on USA Today Books]"Blackwell has woven a Celtic myth, The Legend of Sleepy Hollow, and a serial killer's rampage into a great novel...When everything came together and all the pieces finally fell into place I was completely shocked. The ending was fantastic."--Vanessa The Jeep Diva [Book Blog]"This is a classic `whodunit', where the protagonist and the reader are trying to work out who the murderer is before it's too late. It comes complete with red herrings and potential suspects, and a twist that I was not suspecting. Let's just say that all my guesses for the killer were all wrong, and I did not see the true one coming."-- The Masquerade Crew [Book Blog] "It was hard for me to believe that A Soul to Steal is Rob Blackwell's first novel. I loved how he

took just a little bit of the Headless Horseman story and interwove it with his own to make this unique thriller. Anyone could enjoy this book." --Bending the Spine [Book Blog] You Are What You Fear A serial killer on the loose, two reporters in his sights, and a legendary ghost haunting the town...Something is stalking the citizens of Loudoun County, Va. Is it the return of the notorious serial killer known as Lord Halloween? Or is it something worse--a figure that can cloak itself as your worst nightmare? Kate and Quinn, two community journalists, rush to uncover the truth before a promised bloodbath on Halloween night. The debut novel from award-winning journalist Rob Blackwell, *A Soul to Steal* balances mystery, suspense, romance, action and the paranormal, building to a gripping and unforgettable conclusion. Fans of Stephen King, *Buffy the Vampire Slayer*, Stephenie Meyer and Jim Butcher will find *A Soul to Steal* an addictive page-turner. *A Soul to Steal* is the first book in an amazing new trilogy, *The Sanheim Chronicles*. See What Critics Are Saying: "You have the paranormal, murder, mystery/thriller, suspense and a little romance all rolled into one great read...Everything comes together incredibly well at the end. The ending of this book was amazing. I highly recommend this book." --Paranormal Romance and Urban Fantasy Book Lovers [Book Blog] "This is one of those novels that manages to blend many different genres into a satisfying read. This is predominately a supernatural thriller, but Blackwell also manages to have a romantic narrative in the story as well which doesn't feel forced or false." --Ginger Nuts of Horror [Book Blog] "This story is so much more than a who-did-it type book. There are some other paranormal things going on here and no one is sure how, or if, they are related to Lord Halloween. The story is carefully unfolded, bringing some good old fashioned page-turning suspense." --Alaskan Bookie [Book Blog] "It was also interesting to explore how debilitating fear can be and how people react to it with fight or flight, how fear freezes you to the spot when you know you have to hurry and get away from the killer. I'm vague on purpose, peeps. I don't want to give you any spoilers. I just want you to read this book. It's really, really good." --Nocturnal Book Reviews [Book Blog]

Tanya Huff's supernatural fantasy *Smoke* series, with a gothic twist • Mix of ghostly mystery, paranormal horror, and dark humor • Lambda Award nominated Fans of the *X-Files* and *Twin Peaks* will love acclaimed master of contemporary fantasy Tanya Huff's twisted version of vampires, wizards, and TV terror. When Tony Foster relocated to Vancouver with his vampire Henry Fitzroy, he knew it was his chance to get his act together. In an example of art echoing life, Tony landed a job as production assistant for the syndicated TV show *Darkest Night*, a series about a vampire detective. And except for his unrequited crush on the show's handsome costar, Lee Nicholas, Tony was pretty content. Until everything started to fall apart on the set. It began with shadows—shadows where they didn't belong, that almost had an existence of their own. Tony tried to ignore it—until he found Nikki Waugh's body, and felt the shadow's touch, and a stunt crash went wrong for no discernible reason—and Tony knew that he had to find out what was threatening everyone on the set.

Winner of the UK's Richard & Judy Search for a Bestseller Competition, this page-turning debut novel follows an orphan whose late, beloved best friend bequeaths her a treasure hunt that leads her all over Victorian England and finally to the one secret her friend never shared. It is 1831 when eight-year-old Aurelia Vennaway finds a naked baby girl abandoned in the snow on the grounds of her aristocratic family's magnificent mansion. Her parents are horrified that she has brought a bastard foundling into the house, but Aurelia convinces them to keep the baby, whom she names Amy Snow. Amy is brought up as a second-class citizen, despised by Vennaways, but she and Aurelia are as close as sisters. When Aurelia dies at the age of twenty-three, she leaves Amy ten pounds, and the Vennaways immediately banish Amy from their home. But Aurelia left her much more. Amy soon receives a packet that contains a rich inheritance and a letter from Aurelia revealing she had kept secrets from Amy, secrets that she

wants Amy to know. From the grave she sends Amy on a treasure hunt from one end of England to the other: a treasure hunt that only Amy can follow. Ultimately, a life-changing discovery awaits...if only Amy can unlock the secret. In the end, Amy escapes the Vennaways, finds true love, and learns her dearest friend's secret, a secret that she will protect for the rest of her life. An abandoned baby, a treasure hunt, a secret. As Amy sets forth on her quest, readers will be swept away by this engrossing gem of a novel—the wonderful debut by newcomer Tracy Rees.

They can call me a monster because that's exactly what I am. My heart isn't meant to be won over or broken. It's meant to be feared. With a trio of jealous princesses determined to put a hex on me, a magical school full of 'good' fairy tale creatures that despise my kind, secrets galore, and a headmaster whose dark desires rival my own, I'm here to prove that even villains deserve their happily ever after. Mine just involves bloodshed, blackmail, and sweet sinister revenge. What can I say? I'm a Darkblood. It's in my nature. Now sit back and let me tell you how fairytales REALLY go. Meet Arcadia Bell: bartender, renegade magician, fugitive from the law. . . . Being the spawn of two infamous occultists (and alleged murderers) isn't easy, but freewheeling magician Arcadia "Cady" Bell knows how to make the best of a crummy situation. After hiding out for seven years, she's carved an incognito niche for herself slinging drinks at the demon-friendly Tambuku Tiki Lounge. But she receives an ultimatum when unexpected surveillance footage of her notorious parents surfaces: either prove their innocence or surrender herself. Unfortunately, the only witness to the crimes was an elusive Æthyric demon, and Cady has no idea how to find it. She teams up with Lon Butler, an enigmatic demonologist with a special talent for sexual spells and an arcane library of priceless stolen grimoires. Their research soon escalates into a storm of conflict involving missing police evidence, the decadent Hellfire Club, a ruthless bounty hunter, and a powerful occult society that operates way outside the law. If Cady can't clear her family name soon, she'll be forced to sacrifice her own life . . . and no amount of running will save her this time.
