Second, I was unsure about Ina May's emphasis on stocking up with breast-pumping gear, and so on, before the birth and on the activity of expressing milk more generally. I can accept that this advice might well reflect the needs of a US audience, where short maternity breaks from work are the norm, but I worried again that this acted to subtly undermine the benefits of unmediated attached ...

Ina May's Guide to Natural Childbirth takes the fear out of childbirth by restoring women's faith in their own natural power to give birth with more ease, less pain, and less medical intervention....

Ina May's Guide to Childbirth by Ina May Gaskin - Books on ...

The second half of the book is less about techniques or tools to help you through, and more about Ina May's personal experiences as a midwife, and different notions about how we think about labor and delivery. Ina May doesn't like the word contraction. She suggests that the pain of childbirth can be pleasurable.
