Cram101 Just the FACTS101 studyguides give all of the outlines, highlights, notes, and quizzes for your textbook with optional online comprehensive practice tests. Only Cram101 is Textbook Specific. Accompanys: 9780205029587 .

This engaging text explores how everyday talk--the ordinary kinds of communicating that people do in schools, workplaces, and among family and friends--expresses who we are and who we want to be. The authors interweave rhetorical and cultural perspectives on the "little stuff" of conversation: what we say and how we say it, the terms used to refer to others, the content and style of stories we tell, and more. Numerous detailed examples show how talk is the vehicle through which people build relationships. Students gain skills for thinking more deeply about their own and others' communicative practices, and for understanding and managing interactional difficulties. New to This Edition *Updated throughout to incorporate the latest discourse analysis research. *Chapter on six specific speech genres (for example, organizational meetings and personal conversation). *Two extended case studies with transcripts and discussion questions. *Coverage of digital communication, texting, and social media. *Additional cross-cultural examples. Pedagogical Features Include: *A preview and summary in every chapter. *Accessible explanations of core concepts. *End-of-book glossary. *Endnotes that identify key authors and suggest further reading.

Organize a powerful, effective business presentation and deliver it with style! Say it with Presentations helps you define why you're giving the presentation and the audience you need to convince. This compelling, comprehensive presentation toolkit tells you when, why, and how to use humor, and, yes, silence to get your points across...how to make the most of visuals...set up facilities and equipment...and rehearse to communicate your confidence, conviction and enthusiasm, and much, much more.

A longtime favorite with millions of readers, LOOKING OUT, LOOKING IN, 15th Edition maintains its market-leading tradition of linking the latest research and theory to learners' everyday lives. Its accessible approach motivates readers to learn and apply communication principles in both personal relationships and on the job. Expanded emphasis on social media includes an all-new chapter devoted to the role of mediated communication in interpersonal relationships as well as integrated coverage throughout the book. In addition, diverse examples, new readings, compelling cartoons, lively photos, and popular culture references bring principles to life. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Transform your students into smart, savvy consumers of the media. Mass Communication: Living in a Media World (Ralph E. Hanson) provides students with comprehensive yet concise coverage of all aspects of mass media, along with insightful analysis, robust pedagogy, and fun, conversational writing. In every chapter of this bestselling text, students will explore the latest developments and current events that are rapidly changing the media landscape. This newly revised Sixth Edition is packed with contemporary examples, engaging infographics, and compelling stories about the ways mass media shape our lives. From start to finish, students will learn the media literacy principles and critical thinking skills they need to become savvy media consumers.

Beginning college writers come from a wide range of backgrounds and communities. And for many, academic reading and writing skills are ones they must learn and practice. Enter Rules for Writers. It's an easy-to-use, comprehensive composition tool with the quality you expect from authors you trust. It empowers students by teaching them how to meet new expectations and by giving them the practice that builds confidence. With trusted advice for writing well, reading critically, and working with sources, Rules for Writers now has even more help for underprepared and inexperienced writers--sentence guides that foster an academic voice, tips for spotting fake news and misleading sources, more on paraphrasing, and fifteen new "how-to" pages that offer practical help for writing challenges. It's an affordable solution with significant value, especially when paired with LaunchPad Solo for Hacker Handbooks, an innovative practice solution available at no additional cost when package with a new text.

This best-selling brief introduction to public speaking offers practical coverage of every topic typically covered in a full-sized text, from invention, research and organization, practice and delivery, to the different speech types. Its concise, inexpensive format makes it perfect not only for the public speaking course, but also for any setting across the curriculum, on the job, or in the community. This newly redesigned full-color edition offers even stronger coverage of the fundamentals of speechmaking, while also addressing the changing realities of public speaking in a digital world. It features fully updated chapters on online presentations and using presentation software, and a streamlined chapter on research in print and online.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Updated in a 10th edition, Public Relations: Strategies and Tactics, Tenth Edition, clearly explains to students the basic concepts, strategies, and tactics of today ' s public relations practice. This comprehensive text is grounded in scholarship and includes references to landmark studies and time-honored public relations techniques. The tenth edition emphasizes the application of the Internet and social media for programs and campaigns.
