The Law provides a framework for practice which grants the social worker with powers to take appropriate action. A starting point for understanding the legal framework is Statute law which is one of the main sources of law and is contained in an Act of Parliament. The Children Act 1989 is an example of statute law.

The Law and Social Work Practice

Social Work England is a non-departmental public body, operating at arm ' s length from government. We were established by the Children and Social Work Act 2017. Our central focus is public protection. We have, however, been given the tools to achieve this objective in different ways.

Our role and legislation - Social Work England

Introduction. The Coronavirus Bill was introduced to Parliament on Thursday 19th March and became law on Wednesday 25th March 2020. The Act has profound implications for social work practice, and service users, across England, Scotland, Northern Ireland and Wales. In the jargon of government, social work is a ' devolved ' matter: that is Scotland, Northern Ireland and Wales largely make their own laws and policies about social work.

The Coronavirus Act 2020 and Social Work Practice - A ...

Social work law. This module discusses the legal context of social work, reviewing legal frameworks, principles, structures and processes, which shape and regulate social work practice. It considers how social work can use the law in a positive way, examining the value of law from the perspectives of service users, carers and professionals.
