Live Life From The Heart is a definitive guide to creating the life you've always wanted. Based on twenty-nine years of battling illness and overcoming obstacles, and over a decade working with more than 500 organizations, Live Life From The Heart is chock full of real-world wisdom and powerful life principles that will change the way you look at your life and the challenges you face. In fifty-two easy-to-read chapters, you'll learn how to:

- Release the powerful potential hidden within
- Set goals to get what you really want
- Alter habits so you can alter your realty
- Recognize what is really important

The author delivers practical and life-changing insight on how to flourish in challenging times, allowing you to break through self-imposed barriers that limit your development and growth, while transforming adversity into your competitive advantage.

The book is written to provide information, stories, ideas, and concepts for people who are tired of living a life that they believe is for others but dont know how to change that. This book is called Follow Your Passion and Live Your Life because it provides the tools for people to decide what is most important in their lives (their passions) and how they can transition from being primarily focused on activities they have to do toward the activities they truly want to do (live their lives). In addition, the book shares personal stories and the direction I have taken in my life in order to follow my passion and live my life.

'Dynamic and transformative... a roadmap for following your dreams.' Malala Yousafzai 'Touching, deeply inspiring and thought-provoking.' Jack Edwards, YouTuber and author of The Uni-Verse: The Ultimate University Survival Guide From experiencing grief and leaving her home country of Zimbabwe for the UK, to attending disruptive state schools and working long hours to support herself and her mother, Vee Kativhu has faced much adversity. But through personal hardship, she has triumphed, using her experience to help people from all over the world recognise their own talent and achieve their goals. From attaining a bachelor's degree from Oxford and a Master's from Harvard to spreading her message of education, equal access and opportunity and empowerment to a global audience of over 300,000, Vee's incredible journey has inspired young people around the world in need of a boost of confidence, motivation and practical life advice. In Empowered, Vee draws from her own journey to teach you how to: - Set your life goals, career aspirations and actually achieve them - Stay motivated in the face of rejection and hardship - Learn from your mistakes - Take chances, live your best life and don't let hardship define you - Cultivate feelings of self-love and self-empowerment This book will inspire you how to live a more fulfilled, motivated and empowered life in everything you do.

Are YOU ready to live the life you desire now?Your passions, your purpose, and your play are waiting for you. Ignite Your Life will take you through the four essential elements to create your desired life. We take you from fear-based thinking and living small into powerful shifts to live out loud.Life happens and we get disconnected from our passions, those things that bring us pleasure. Pleasure is a birthright, not a luxury. We get disconnected from our purpose and live on auto pilot. By reigniting your purpose, you feel more plugged in, have greater joy, and feel more connected with your relationships. Play is not just for children but for all of us. Play creates pleasure and greater health.As psychotherapists, Ann and Christie have worked with women for years in the clinical setting. Hot Pink YOUiversity moves beyond the clinic walls to work with women in powerful ways through retreats, travels, and events.Ignite Your Life shares tools and techniques to get you from where you are now to where you want to be in your life. Women learn through stories and those are woven throughout the book to illustrate the journey, both their own and those of their Hot Pink Tribe.Learn what it means to be a Hot Pink Woman. Learn to create relationships with other women who have your back. Develop the mind-shifts needed to love your body, clear your money blocks, create more meaning through intentional living, move outside of your comfort zone, and much more. Ann Murgatroyd-Soe and Christie Gause-Bemis co-created Hot Pink YOUiversity in 2011. They have developed a set of tools and a step-by-step process through their Woman on Fire program to reignite women with their passions, purpose, and play. Joining their voices together for other women to live a life they desire each and every day.

If you have been told it's not realistic to work and live with passion, this book will help change your mindset. Quit just existing and start really living! Buy this book now to start achieving outstanding personal and professional results with absolute certainty and excitement.

In this classic bestseller, acclaimed author and speaker Matthew Kelly offers inspiring, take-charge strategies to help you discover your deepest desires, identify your unique talents, and lead a life filled with passion and purpose. Do you ever feel that if you weren't so busy you would be happier, healthier, more effective, more fulfilled...and maybe even a better person? The Rhythm of Life will help you to bring into focus who you are and why you are here. Through this book Matthew Kelly will help you discover your legitimate needs, deepest desires, and unique talents—and become the best-version-of-yourself. He helps you bring into focus who you are, why you are here, and what possibilities stand before you... Everything is a choice. This is life's greatest truth and its hardest lesson. It is a great truth because it reminds us of our power to live the life of our dreams. It is a hard lesson because it causes us to realize that we have chosen the life we are living right now. The measure of your life will be the measure of your courage. Fear stops more people from doing something with their lives than lack of ability, contacts, resources, or any other single variable. Fear paralyzes the human spirit. Life takes courage. With this groundbreaking guide, Kelly cuts through the stifling clutter of our everyday lives and delivers a clarity that is both refreshing and liberating.

Bruce Schultz blends his proven philosophy for a successful life with a variety of quotes from others who personify living a passion-filled life in this inspirational, uplifting guide to happiness. The Passion-Filled Life will show you how to: - maintain your focus - structure your life - define your purpose and your passion - regularly examine your priorities - eliminate negative thoughts - identify your personal values - move out of your comfort zone - build a rapport and relationships with like-minded people This book will inspire you to take action and put you on the path of a passion-filled life! "There is much to contemplate, ponder, and learn in the pages of The Passion-Filled Life. Bruce's direction is clear and concise. I enthusiastically recommend The Passion-Filled Life to anyone seeking that for him - or herself." –Tom Ziglar, President of Ziglar, Inc., son of Zig Ziglar

• Is your career where you want it to be? • Does your life have meaning? • Are you realising your full potential? In Live What You Love ground-breaking Australian entrepreneur Naomi Simson will show you how to love what you do every day and live life to the full. Renowned for her high-octane energy and commitment to the pursuit of excellence, Naomi built one of Australia's major tech success stories, RedBalloon, from just an idea but she is also known for her inspirational blogs on happiness at work and home that reach more than three-quarters of a million followers on LinkedIn and her role on Channel 10's Shark Tank. In this book, leading by example, Naomi shares her life lessons and shows you how to: • channel your passion • learn persistence • find your purpose; and • stay positive. Soon your work experience will become richer, your career path more clearly formed and your life more fully realised. Live What You Love will help you diagnose your own approach to life through its use of quizzes and Q&As, offer case histories that give you real-life examples of where mistakes were made or problems solved, and reveal inspiring examples of success in both life and business. Naomi's dynamic approach, informed by her experiences running her own business and her corporate career, will show you how to add meaning into your life and in doing so, discover that when you love what you do, success in life is never far away.

Live Well & Love Yourself is a toolkit for how to change your life and fuel your passions. This reflective guide will take you on an incredible journey of self discovery to help you unpack your deepest desires, release your greatest fears, and propel you into living your most fulfilled life. Do you struggle with negative self-talk and self criticism? Are you a people-pleaser? Do you struggle with chronic health ailments that have diminished your passion for life? Do you feel tired, unmotivated, and creatively empty? It's time to love yourself.
