The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

This volume, a companion to Images of Women in Maharashtrian Literature and Religion (SUNY Press, 1996), approaches more closely the realities of women's lives. Using historical documents from the eighteenth and nineteenth centuries, and photographs, interviews, and conversations from the twentieth, the book constructs images of the conditions of women's lives in the modern state and traditional region of Maharashtra over the past three hundred years. The authors search for the ideas, understandings, and judgments that have shaped those conditions, for the conscious and unconscious images that have made women's lives what they have been. The contributors examine ways femininity and the power, status, and potential of women have been viewed; actual women emphasizing ideas about women. Understanding ideas of this kind is a necessary first step toward understanding, and perhaps eventually affecting, the actualities of women's lives. This book is divided into three parts. Part I is based on documentary sources from the eighteenth century. Part II explores the subjects and terms of the conservatism versus reform debate in Maharashtra, and thus complements recent studies on images of women in Bengal and other parts of North India during the colonial period. Part III, which presents contemporary images of women in Maharashtra, includes an examination of village women's work, a photo essay, an oral life history, and a bibliographical essay.

"The book "The Subhedar's Son: A Narrative of Brahmin Christian Conversion from Nineteenth-century Maharashtra" explores the experience of Christian conversion among Brahmins from one of the earliest Anglican Missions of the Bombay Presidency (Church Missionary Society) established in the nineteenth century"--

It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.
