The mid-tempo opener, 'Runaway Soul', is a solid beginning with harmonica and Hammond organ. Her softer side is also shown in some delightful harmonies. 'Woke Up This Mornin' has a Sunday church feel, slowly building into a funky Southern track with a choir-like harmony.

Keef, Mason Lloyd Format: MP3 Bitrate: 64 Kbps Unabridged Length: 4 hrs 21 mins In Music of the Heart, an unexpected twist of fate caused Abby Renard to fall into womanizer Jake Slater’s bed.

Abby Renard and Jake Slater get married after a year-long engagement. After a week long honeymoon in Mexico they return to the world of touring and making music until a twist of fate challenges their love.

For Abby Renard, the plan was supposed to be simple—join her brothers’ band on the last leg of their summer tour and decide if she’s finally ready for the limelight by becoming its fourth member. Of course, she never imagined stumbling onto the wrong tour bus at Rock Nation would accidentally land her in the bed of Jake Slater, the notorious womanizing lead singer of Runaway Train. When he mistakes her for one of his groupies, Abby quickly lets him know she sure as hell isn't in his bed on purpose. Jake Slater never imagined the angel who fell into his bed would resist his charms by promptly kneeing him in the balls. Of course, the fact she seems like a prissy choir girl makes her anything but his type. So he is more than surprised when after betting Abby she wouldn’t last a week on their tour bus, she is more than willing to prove him wrong. But as Jake’s personal life begins to implode around him, he finds an unlikely ally in Abby. He’s never met a woman he can talk to, joke with, or most importantly make music with. As the week comes to a close, neither Abby nor Jake is ready to let go. Can a sweetheart Country songstress and a bad boy of Rock N Roll actually have a future together?

"This story is dedicated to Jeannine Deckers and the many other women who have left religious orders to join the secular world with no emotional support. It takes great courage to attempt the religious life and even greater courage to leave it"--Page facing t.p. verso.

Harold Brodkey’s acclaimed novel is a mesmerizing work of literary genius, exploring the momentous events in the life of a family in twentieth-century St. Louis, and a writer still haunted by a childhood tragedy First published in 1991, The Runaway Soul took Harold Brodkey more than three decades to complete. This sprawling novel has since been eagerly embraced by readers and critics alike, earning Brodkey the epithet of an “American Proust.” Told by Wiley Silenowicz, Brodkey’s fictional alter ego, the story snakes back and forth across the unforgettable events of a life. Following the traumatic death of his mother, Wiley recalls his troubling childhood in the care of his cousins: smooth-talking S. L. Silenowicz, his beautiful, emotionally deficient wife, Lila, and their abusive daughter, Nonie, who torments Wiley to no end. In language that soars and hypnotizes, The Runaway Soul fearlessly explores youth and adulthood, love and loss, sex and death, marriage and family, tracing upon one man’s odyssey through a troubling world. More than two decades after it first appeared in print, Harold Brodkey’s magnum opus remains one of the finest literary works produced by an American novelist in the twentieth century.

A collection of Modernist Beat Poetry that explores escapism from the mundane humdrum everyday grind of life through the pleasure of soul music. It also provides a commentary on society and the pursuit of happiness away from the horrors inflicted upon people by political machinations and the agendas of others.

Twenty year old, Allison Slater has been in love with her brother's bandmate, Rhys McGowan, since she was thirteen years old. But to him, she'll always be Jake's little sister and off limits. Now a college sophomore and licking her wounds from a bad breakup, she sets her sights on making Rhys see her as someone he could date...maybe even love. Her opportunity comes when Rhys visits his parents in Savannah where she is attending college. But the night she's dreamed of turns to heart-break, and she realizes she'll never be the one for Rhys. For Rhys McGowan, his nightmare began when he woke up, naked and hung-over, next to his bandmate's little sister. Unable to remember a thing from the previous night, he only makes matters worse by lying to Allison about not being interested in her. The truth is he's spent the last year to ignore his body's reaction whenever Allison is around. His resolve is tested when Allison comes on tour with Runaway Train, as both Jake and Abby's nanny and to fulfill her fashion design internship. The more time he spends with her in the close quarters of the bus, the harder it is for him to resist. Will Rhys realize that having a relationship with Allison is worth fighting for even if it means that he has to fight his best friend for a chance?

After years of bad relationships and a cheating ex-fiance, twenty-eight-year-old Mia Martinelli prefers healing her patients' hearts on the Cardiac Care floor rather than risking having her heart broken again. But that all comes to a screeching halt when caring for the head roadie for Runaway Train puts her into the orbit of drummer and Latin Lover, AJ Resendiz. After a scorching weekend of steamy passion, Mia's intention of getting out with her heart unscathed is challenged by the stud with the wicked sense of humor, especially when he wants to continue seeing her. But when the harsh reality of AJ's hoard of female admirers sends her insecurities into overdrive, Mia bails, leaving him handcuffed to his bathroom shower. AJ never imagined that after two weeks of the best sex and female companionship he'd ever experienced, he would need rescued by his band mates from his shower prison. Although he tries to forget the sensual brunette whose curves made his mouth water, AJ can't get her out of his mind...or his heart. Months later when he finally seeks Mia for answers as to why she left, nothing could prepare him for their life-altering reunion. Can AJ prove to Mia that regardless of the women after his body, his heart belongs only to her?("

Runaways is a collection of songs, dances, and spoken word pieces performed by children who have run away from their homes. Initially created from interviews with homeless children and those in orphanages, Liz Swados' unique piece weaves songs about personal struggle and the world at large through the eyes of youth in New York City in the '70s. The show blends different musical styles, from pop to hip-hop and jazz to reggae, while asking why children can't remain children. The licensed version of Runaways reflects the version performed by Encores in 2016.
