The study of postdramatic theatre also brings the muscality of theatre to the foreground. According to Eleni Varopoulou, quoted in Postdramatic Theatre, muscality in theatre “is not a matter of the evident role of music and of music theatre, but rather a more profound idea of theatre as music.” Musicalization in postdramatic theatre does not only concern language but all theatrical means (Lehmann 91).

### Notes on Light: The Muscality of Light and Theatre ...

Theatre music is all music composed to govern, enhance, or support a theatrical conception. Music composed for theatrical purposes obeys different laws than does the music for concert performance or conventional opera. Whereas in opera the music dictates the form in which the dramatic visual imagery is presented and governs its development, in other kinds of theatre the music is, at best, an equal partner among its principal elements.

### Theatre music | musical genre | Britannica

In attempts to understand music better, we turn instead to the narrative arts, speaking of the ‘story’ of a musical piece. This book focuses on two examples of such conceptual mirror reflexivity: narrativity in jazz music and muscality in spoken theatre. These intermedial metaphors are shown to be significant to the practice and reflection of performing artists through their ability to mediate holistic views of what is considered to be of crucial importance in artistic practice ...
