One Holy and Happy Society is about Jonathan Edwards' public theology, his view about how God wanted society to be, and the role that Christians should play in society. McDermott is arguing against certain prominent narratives about Jonathan Edwards: that Edwards was a recluse who did not care much about society, or that Edwards was a conservative who rubber-stamped America (or his part of America), including the bad things that America did.

One Holy Happy Family focuses on varying beliefs. Christians, of course, share important central beliefs with one another; but, as has been suggested since the earliest days of the Church, the various members and branches of its 'family' display quite a variation in detail as to how they express and conduct their faith.

Jonathan Edwards (October 5, 1703 - March 22, 1758) was an American revivalist preacher, philosopher, and Congregationalist Protestant theologian. Edwards is widely regarded as one of America's most important and original philosophical theologians. Edwards' theological work is broad in scope, but he was rooted in Reformed Anglican theology, the metaphysics of theological determinism, and the ...
