Parent-Child Relations: Context, Research, and Application ... Kids Need Boundaries. Without set boundaries, there are no guidelines, and living without guidelines creates insecurity. Parents are a child's main source of security and if the parents' behavior indicates that they are not in control, it opens the door for uncertainties. Kids push the limits because they need to know limits are there and to know that someone is in charge keeping them safe, according to AhaParenting.com, the website of clinical psychologist Dr.
