Religion, accordi. ***1/2. As a post-modernist thinker, Bulgarian-French philosopher Julia Kristeva believes that the only way one can relate to or understand the world is through the medium of language, and anything that is completely non-linguistic is literally unintelligible. In Powers of Horror Kristeva examines the notion of abjection through literature, she traces the role the abject has played in the progression of history, most notably in religion which she spends much time ...

Powers of Horror: An Essay on Abjection by Julia Kristeva

Powers of Horror: An Essay on Abjection is a 1980 book by Julia Kristeva. The work is an extensive treatise on the subject of abjection, in which Kristeva draws on the theories of Sigmund Freud and Jacques Lacan to examine horror, marginalization, castration, the phallic signifier, the "I/Not I" dichotomy, the Oedipal complex, exile, and other concepts appropriate to feminist criticism and queer theory. According to Kristeva, the abject marks a "primal order" that escapes signification in the sy

"Kristeva's Theory of Abjection" by Samantha Pentony

This is an important work by a leading French writer. It's about the psychological role of disgust and rejection, the innate sense of horror that establishes within us what is acceptable and appropriate, and what's on the other side of that divide. It's not an easy read by any means, but quite beautifully written.
