brothers Mycroft and Sherlock Holmes. It is 1872, and a series of gruesome murders is the talk of London. Mycroft Holmes--now twenty-six and a force to be reckoned with at the War Office--has no interest in the killings; however, his brother Sherlock has developed a distasteful fascination for the macabre to the detriment of his studies, much to Mycroft's frustration. When a ship carrying cargo belonging to Mycroft's best friend Cyrus Douglas runs aground, Mycroft persuades Sherlock to serve as a tutor at the orphanage that Douglas runs as a charity, so that Douglas might travel to see what can be salvaged. Sherlock finds himself at home among the street urchins, and when a boy dies of a suspected drug overdose, he decides to investigate, following a trail of strange subterranean symbols to the squalid opium dens of the London docks. Meanwhile a meeting with a beautiful Chinese woman leads Mycroft to the very same mystery, one

War II was on, the country was under military rule and arrest and imprisonment took place without trial. Several lorries filled with armed policemen arrived that night at Anand Bhawan to arrest one lone, unarmed woman. Vijaya Lakshmi Pandit was soon joined in jail by her 25-year-old niece, Indira Gandhi. In this diary, Pandit recounts her experiences in jail and the hardships she endured along with others who had joined the fight for freedom: rations mixed with dirt and stones, a lack of water and sanitary facilities, surviving on an allowance of 9 annas a day, and only the hard ground to sleep on. Though it is more the personal, day-to-day details of her life that fill Pandit's jail diary, it is the politics of the day--the overarching desire to throw off the shackles of British rule and Mahatma Gandhi's unique approach of non-violence and non-cooperation to achieve this, that define the book. It is this that gives Vijaya Lakshmi Pandit and her fellow

prisoners the courage to carry on the fight with unbroken spirits--and at the stroke of the midnight hour on 15 August 1947, victory was theirs. India was reborn as an independent nation.
