The world ' s second-wealthiest country, Japan once seemed poised to overtake America. But its failure to recover from the economic collapse of the early 1990s was unprecedented, and today it confronts an array of disturbing social trends. Japan has the highest suicide rate and lowest birthrate of all industrialized countries, and a rising incidence of untreated cases of depression. Equally as troubling are the more than one million young men who shut themselves in their rooms, withdrawing from society, and the growing numbers of " parasite singles," the name given to single women who refuse to leave home, marry, or bear children. In Shutting Out the Sun, Michael Zielenziger argues that Japan ' s rigid, tradition-stepped society, its aversion to change, and its distrust of individuality and the expression of self are stifling economic revival, political reform, and social evolution. Giving a human face to the country ' s malaise, Zielenziger explains how these constraints have driven intelligent, creative young men to become modern-day hermits. At the same time, young women, better educated than their mothers and earning high salaries, are rejecting the traditional path to marriage and motherhood, preferring to spend their money on luxury goods and travel. Smart, unconventional, and politically controversial, Shutting Out the Sun is a bold explanation of Japan ' s stagnation and its implications for the rest of the world.

A story of first love and family loss follows the estrangement between daredevil Jude and her loner twin brother, Noah, as a result of a mysterious event that is brought to light by a beautiful, broken boy and a new mentor. Simultaneous eBook.

Told from multiple viewpoints, follows teenaged friends Nia, KeeKee, Faith, and Eve as they experience unexpected life changes the summer a hotel developer purchases their Caribbean community's beloved beach.

NOMINATED FOR THE 2021 HUGO AWARDS AND THE 2020 NEBULA AWARDS FOR BEST NOVEL From the New York Times bestselling author of Star Wars: Resistance Reborn comes the first book in the Between Earth and Sky trilogy, inspired by the civilizations of the Pre-Columbian Americas and woven into a tale of celestial prophecies, political intrigue, and forbidden magic. A god will return When the earth and sky converge Under the black sun In the holy city of Tova, the winter solstice is usually a time for celebration and renewal, but this year it coincides with a solar eclipse, a rare celestial event proscribed by the Sun Priest as an unbalancing of the world. Meanwhile, a ship launches from a distant city bound for Tova and set to arrive on the solstice. The captain of the ship, Xiala, is a disgraced Teek whose song can calm the waters around her as easily as it can warp a man ' s mind. Her ship carries one passenger. Described as harmless, the passenger, Serapiro, is a young man, blind, scarred, and cloaked in destiny. As Xiala well knows, when a man is described as harmless, he usually ends up being a villain. Crafted with unforgettable characters, Rebecca Roanhorse has created an epic adventure exploring the cadence of power amidst the weight of history and the struggle of individuals swimming against the confines of society and their broken pasts in the most original series debut of the decade.

When twelve-year-old Onyeka discovers that she has psychokinetic powers, her mother reveals that she is Solari, part of a secret group of Nigerian mutants that trains at the Academy of the Sun.

From the bestselling author of Alone and The Killing Hour comes a thriller that goes from heartbreaking to heartstopping in the blink of an eye.... When someone you love vanishes without a trace, how far would you go to get them back? For ex-FBI profiler Pierce Quincy, it ' s the beginning of his worst nightmare: a car abandoned on a desolate stretch of Oregon highway, engine running, purse on the driver ' s seat. And his estranged wife, Rainie Conner, gone, leaving no clue to her fate. Did one of the ghosts from Rainie ' s troubled past finally catch up with her? Or could her disappearance be the result of one of the cases they ' d been working – a particularly vicious double homicide or the possible abuse of a deeply disturbed child Rainie took too close to heart? Together with his daughter, FBI agent Kimberly Quincy, Pierce is battling the local authorities, racing against time, and frantically searching for answers to all the questions he ' s been afraid to ask. One man knows what happened that night. Adopting the alias of a killer caught eighty years before, he has already contacted the press. His terms are clear: he wants money, he wants power, he wants celebrity. And if he doesn ' t get what he wants, Rainie will be gone for good. Sometimes, no matter how much you love someone, it ' s still not enough. As the clock winds down on a terrifying deadline, Pierce plunges headlong into the most desperate hunt of his life, into the shattering search for a killer, a lethal truth, and for the love of his life, who may forever be...gone.

Orphaned Julia never expected to be sent away, especially not to the ill-named House of Mercy. But adventure awaits her in this historical journey, based on a true story. " Go home, " eleven-year-old orphan Julia Delaney is told, but home for her is gone. Spirited and strong, Julia faces a cruel life at an orphanage—the House of Mercy—blistering cold winters, and countless disappointments. But not even hopeful Julia can imagine what awaits her in Montana—and with the help of a miracle or two, she sets the sun a-sailing. Like the heroines of the beloved American Girls series, Julia ' s journey paints a vivid picture of United States history. Based on the true story of a real girl, with additional details explained in an Author ' s Note, The Year We Sailed the Sun is historical fiction at its best.
