Silent Threat Mission Recovery Book  
Silent Threat by Dana Marton is the first book in her Mission Recovery series. The book was a bit slow at first in how both Cole and Annie learned to trust each other as well as the type of work that Annie does at Harmony Hill. I could see a possibility of an Eco Therapist working and helping out Wounded Warriors but it did seem a bit out there. I'd give the book a 3.7 stars for suspense and romance.
