The history of the United States is what happened in the past in the United States, a country in North America. Native Americans lived in the Americas for thousands of years. English people in 1607 went to the place now called Jamestown, Virginia. Other European settlers went to the colonies, mostly from England and later Great Britain.

drop the atomic bombs, and changes in America's global role since the fall of Communism.

The Untold History of the United States - Wikipedia

America is a nation of immigrants, and immigration is a theme that animates so much of the nation's history. Stories about the successive waves of immigrants arriving from the four corners of the globe, and about our nation's struggle to both absorb them as well as adapt to them is a constant thread in our history.
