Clears up misconceptions about Tantra, and explains its pursuit of spiritual power in order to attain enlightenment

Tantra—often associated with Kundalini Yoga—is a fundamental dimension of Hinduism, emphasizing the cultivation of “divine power” (shakti) as a path to infinite bliss. Tantra has been widely misunderstood in the West, however, where its practices are often confused with eroticism and licentious morality. Tantra: The Path of Ecstasy dispels many common misconceptions, providing an accessible introduction to the history, philosophy, and practice of this extraordinary spiritual tradition. The Tantric teachings are geared toward the attainment of enlightenment as well as spiritual power and are present not only in Hinduism but also Jainism and Vajrayana Buddhism. In this book, Georg Feuerstein offers readers a clear understanding of authentic Tantra, as well as appropriate guidance for spiritual practice and the attainment of higher consciousness.

Achieve Cosmic Consciousness through Sexual Ecstasy This hardcover edition of an influential classic provides sexual techniques and positions for ritual intercourse that will flood you with physical ecstasy and activate expanded states of consciousness. These Tantric practices not only teach you how to build sexual love and passion to an amazing peak, but also how to push your mind even higher to reach transcendental bliss. With more than forty years of experience, Dr. Jonn Mumford helps you bring holiness and magick into your sexual relationship. This book skillfully interweaves theory and practice so you can understand why you are doing each exercise as you learn potent techniques. Discover the God/Goddess as incarnate in your beloved and experience the same divinity within yourself through physical and spiritual union. Learn how to engage in the Asanas of Love and use a powerful technique known as the Rite of Naked Fire. Featuring a new introduction and a wealth of illustrations and photographs, this book reveals the secrets of erotic mysticism.

The autobiography of an American Gan-X woman who immerses herself in the sexual mysteries of tantric yoga. • An engaging insider's story that intimately portrays the details of the tantric sexual path from a young woman's point of view. • Author is one of the few Americans to be initiated into the sacred cobra breath. • Reveals not only the benefits but also the pitfalls, problems, and temptations of this path toward enlightenment. • Includes meditations and exercises for beginning a tantric practice. Tantric Awakening discloses an epic experience of tantra that few have achieved, and even fewer would dare to attempt. This is the story of a 19-year-old girl, disillusioned by the questions that her religion and society fail to answer, who courageously enters the sensuous rituals of tantric sex. In search of authentic knowledge, Brooks was admitted into secret societies where she learned firsthand the ways of the tradition from tantric adepts. Amid disapproval from family and friends, her body and spirit awaken to ecstatic levels of orgasmic pleasure that allow her to experience loving relationships, better health, and a deep sense of oneness with God. A personal and intimate portrait, Tantric Awakening is tastefully written to reveal not only the ecstatic power and spiritual benefits of tantra, but also the pitfalls, problems, and temptations of this path toward enlightenment. With the inclusion of specific tantric sexual techniques the author shows how to use tantra to balance the spirit with the physical self in order to achieve personal empowerment, transforming fear and self-doubt into joy and self-confidence. Meditations, exercises, and important insights for beginning a tantric practice assist the reader who is inspired to bring a sense of the divine into daily life.

The practice of Tantra Yoga is considered to be the highest and most rapid path to enlightenment. Master teacher Mukunda Stiles offers 18 lessons in Tantra Yoga, a practice of transformational self-healing in which we can deepen awareness of our bodies, their energy forces, and the connections to the natural world around you and those you love. While many movements today describe tantra as a sexual practice promising longer and better orgasms, increased stamina, and ecstasy, the real Tantra aims to awaken Kundalini, the dormant potential force in the human personality. The Tantra tradition includes a vast range of practical teachings leading to the expansion of human consciousness and the liberation of primal energy. By heightening their awareness to this connective energy, readers will learn to embrace and develop a higher level of intimacy, the heart of tantra. Stiles explains this intimate and life-changing practice with grace, structure, and clarity—an easy-to-follow Tantra Yoga workshop in book form. Tantra Yoga Secrets will empower readers to overcome emotions, gain new knowledge, and live a more fulfilling spiritual lifestyle.

As David White explains in the Introduction to Tantra in Practice, Tantra is an Asian body of beliefs and practices that seeks to channel the divine energy that grounds the universe, in creative and liberating ways. The subsequent chapters reflect the wide geographical and temporal scope of Tantra by examining thirty-six texts from China, India, Japan, Nepal, and Tibet, ranging from the seventh century to the present day, and representing the full range of Tantric experience—Buddhist, Hindu, Jain, and even Islamic. Each text has been chosen and translated, often for the first time, by an international expert in the field who also provides detailed background material. Students of Asian religions and general readers alike will find the book rich and informative. The book includes plays, transcribed interviews, poetry, parodies, inscriptions, instructional texts, scriptures, philosophical conjectures, dreams, and astronomical speculations, each text illustrating one of the diverse traditions and practices of Tantra. Thus, the nineteenth-century Indian Buddhist Garland of Gems, a series of songs, warns against the illusion of appearance by referring to bees, yogurt, and the fire of Malaya Mountain; while fourteenth-century Chinese Buddhist manuscripts detail how to prosper through the Seven Stars of the Northern Dipper by burning incense, making offerings to scriptures, and chanting incantations. In a transcribed conversation, a modern Hindu priest in Bengal candidly explains how he serves the black Goddess Kali and feeds temple skulls lentils, wine, or rice; a seventeenth-century Nepalese Hindu praise-poem hammered into the golden doors to the temple of the Goddess Taleju lists a king's faults and begs her forgiveness and grace. An introduction accompanies each text, identifying its period and genre, discussing the history and influence of the work, and identifying points of particular interest or difficulty. The first book to bring together texts from the entire range of Tantric phenomena, Tantra in Practice continues the Princeton Readings in Religions series. The breadth of work included, geographic areas spanned, and expert scholarship highlighting each piece serve to expand our understanding of what it means to practice Tantra.

---

A concise, illustrated workbook to Tantric lovemaking by the bestselling author of Sexual Ecstasy and The Art of Sexual Ecstasy. The Sexual Ecstasy Workbook is the perfect practical guide for the countless lovers who complain that sexual harmony is so easily broken and that love, rather than being pure bliss, is more like walking through a minefield-where at any moment a false move can turn off enthusiasm and snuff out all chances for orgasmic satisfaction. Problematic situations readers will learn how to successfully maneuver include: - She is turned on and wants to make love, but doesn't dare express it. - He wants her, but she seems so busy that he doesn't dare interrupt and ask. - The world-in the form of ringing cell phones, paging beepers, droning television, and domestic duties-prevents the focused intimacy that is the core of bliss. - Awkwardness-not knowing how to caress-turns lovemaking into a burdensome chore. The Sexual Ecstasy Workbook presents a user-friendly, step-by-step method for connecting more deeply with one's ecstatic potential, erotic goals, and ability to appreciate one's self and one's partner.

Tantric yantras are precise geometric forms that have been used for centuries as tools for self-realization and the attainment of mystical powers. In Tools for Tantra, Tantric practitioner and scholar Harish Johari has re-created the exact colors and proportions of the primordial yantras along with step-by-step instructions for their accurate construction, coloring, and use.
