discussion of the impact of social media is still relevant today?

DegreeKey - Unlock your university future

Like all Pelican Introduction books, Bruce Hood's The Domesticated Brain is targeted at a general audience. But that doesn't belie the fact that this accessible and well-written book presents an awful lot of cutting-edge information about the rapidly expanding understanding of the brain, consciousness, its evolution, and human nature as a domesticated social animal.

The Domesticated Brain A Pelican Introduction Books Bruce Hood

Why do we care what others think? What keeps us bound together? How does the brain shape our behaviour? Bruce Hood is an award-winning psychologist who has researched and taught at Cambridge and Harvard Universities and is currently Director of the Cognitive Development Centre at the University of Bristol. He delivered the Royal Institution's Christmas Lectures in 2011 and is the author of The ...
