Here, perennially popular Good Morning America host Robin Roberts reveals the 8 rules that she has always honored on her road to success. Illustrated with stories from her work, her family, and her faith, she explains how deceptively simple maxims like "Never lose sight of the Big Picture" and "Give people the benefit of the doubt" are both deeply meaningful and crucial to happiness and genuine accomplishment. Combined with a good dose of Robin's trademark humor, warmth, and honesty, this book will be required reading for anyone in need of an infusion of sincere inspiration. And in light of her announcement in July 2007 that she had breast cancer, Robin's message is bound to touch an even larger audience.

The Heart of the Story will help you see God's Word in a new and inspiring light. In the Bible's seemingly disconnected stories, you'll discover one grand, unfolding epic | God's story from Genesis onward | and your own life-story contained within it. |To understand the Bible,| says author and pastor Randy Frazee, |you need bifocal lenses, because two perspectives are involved. The Lower Story, our story, is actually many stories of men and women interacting with God in the daily course of life. The Upper Story is God's story, the tale of his great, overarching purpose that fits all the individual stories together like panels in one unified mural.| In this new edition, Randy dives deeper in the Upper and Lower stories and shows how both perspectives will open your eyes to the richness and relevance of the Bible. Illuminating God's master-plan from Genesis to our daily lives, The Heart of the Story will encourage you to experience the joy that comes from aligning your stories with God's.
