Rape of the Mind - Chapter 1

Rape of the Mind Meerloo's best-known book is Rape of the Mind, published in 1956. The book received wide attention in part because it dealt with totalitarian applications of brainwashing techniques during the Korean War. The book explains how scientific brainwashing is done, and argues that "hardly anyone can resist such."

Meerloo, to my mind, is a formidable writer: what a joy it has been to read The Rape of the Mind. An intelligent man if ever there was one! Indeed the book, first published in 1956, does center around military indoctrination but also heavily stresses that indoctrination is as likely to come via society as it is through armed forces.
