~~True Resilience Building A Life Of Strength Courage And ...~~

It is true that the Dutch farming is very productive and that the Netherlands is the number two food exporter in the world, but it is equally one of the biggest importers of food raw materials. To a large extent the Netherlands imports feed and other cheap commodities and turn them into more valuable products for exports, or just re-export them, a pattern with many hundred years of history.

~~A life on our planet - review - Resilience~~

When we look outside ourselves for a solution, we are looking in the wrong direction. You have access to all the creativity, resilience and wisdom you need. It just gets lost sometimes. We will show you where to look.
