Understanding Analysis, 2nd edition Stephen Abbott, Middlebury College Springer, New York, 2015 . My goal in writing Understanding Analysis was to create a lively, one-semester introduction to real analysis that exposes students to the rich rewards inherent in taking a rigorous approach to the study of functions of a real variable. The first several times I taught such a course, my students became proficient at writing mathematical proofs, but I realized that the content of the course I had ...
