Traditional knot and interlace patterns, combined to form uniquely striking contemporary designs. Ever since her groundbreaking book *Viking Patterns for Knitting* was published, Elsebeth Lavold has been recognized as one of the world's leading experts on cabling. It was within the pages of her international bestseller—described as “an indispensable milestone in 20th century knitting literature”—that Lavold first introduced the world to her own innovation: using lifted increases to create interlace patterns, and bringing new life to

The ornamental heritage of the Vikings as adornment on modern knitwear. In the years since, Lavold has sought new ideas and “design cousins” to Viking patterns to explore with her needles, and has undertaken a fascinating journey through archives, museums, libraries, and the internet. In more than a decade of continued research, she has studied cultures from all over the globe in search of similar types of ornamental expression, creating the foundation for this exciting new book: a glorious collection rich in imagery, history, patterns, and designs. Dozens of different sources of inspiration, catalogued and placed within their cultural and historical context, from all around the

The Faroes have a deeply rooted knitting culture and are perhaps at the top of the world when it comes to the number of knitting clubs. It is the authors desire with this book to awaken an interest in Faroese knitting motifs, to increase appreciation of wool as a natural material, and to spread our cultural heritage. Most of all, to keep the Nordic knitting patterns alive to honor all the work of previous generations.

Artists, illustrators, designers, and craftspeople in search of exceptionally bold and inventive motifs will find them in this versatile treasury brimming with 125 royalty-free designs. Taken
