Learn about Parts of your body for kids | Educational Video Ryan's World Whats Inside Your Tummy Mummy This is a great book to share and discuss all the changes going on inside 'mummy's tummy'. Every month a new picture shows how big baby is and how far along a timeline (featured at the foot of each spread) baby has moved. The real attraction of the book is the 'life-size' nature of the drawings, giving mother and child a fantastic opportunity ...

Mummy
What children need are simple pictures explaining a baby growing in mummy's tummy. No book on Amazon, including this one helps. Older children don't need this book the text is far too advanced and if your child can understand that, then you don't need a book at all. You need a clear picture with a mummy and a window in her tummy.

Mummy Age appropriate, cute illustrations, that you can hold up to your belly, a nice amount of facts, and I like the time table of days / weeks on the bottom. I wish I had this when I was pregnant with my 2nd child. my 4 yo loves this book and is obsessed with how the baby grows inside a Mommy right now.
